- (a) the disqualified documents, together with the list of disqualified documents inside it;
- (b) the ID declaration forms, if required;
- (c) the list of spoilt ballot papers and the list of spoilt text message votes;
- (d) the list of lost ballot documents;
- (e) the list of eligible voters; and
- (f) the list of tendered voting information;

and ensure that complete electronic copies of the internet voting records, telephone voting records and text voting records created in accordance with rule 26 are held in a device suitable for the purpose of storage.

PART 6 COUNTING THE VOTES

41. Interpretation of Part 6

41.1. In Part 6 of these rules:

"ballot document" means a ballot paper, internet voting record, telephone voting record or text voting record;

"continuing candidate" means any candidate not deemed to be elected, and not excluded;

"count" means all the operations involved in counting of the first preferences recorded for candidates, the transfer of the surpluses of elected candidates, and the transfer of the votes of the excluded candidates;

"deemed to be elected" means deemed to be elected for the purposes of counting of votes but without prejudice to the declaration of the result of the poll;

"mark" means a figure, an identifiable written word, or a mark such as "X";

"non-transferable vote" means a ballot document:

- (a) on which no second or subsequent preference is recorded for a continuing candidate; or
- (b) which is excluded by the returning officer under rule 49;

"preference" as used in the following contexts has the meaning assigned below:

- (a) "first preference" means the figure "1" or any mark or word which clearly indicates a first (or only) preference;
- (b) "next available preference" means a preference which is the second, or as the case may be, subsequent preference recorded in consecutive order for a continuing candidate (any candidate who is deemed to be elected or is excluded thereby being ignored); and
- (c) in this context, a "second preference" is shown by the figure "2" or any mark or word which clearly indicates a second preference, and a third preference by the figure "3" or any mark or word which clearly indicates a third preference, and so on;

"quota" means the number calculated in accordance with rule 46;

"surplus" means the number of votes by which the total number of votes for any candidate (whether first preference or transferred votes, or a combination of both) exceeds the quota; but references in these rules to the transfer of the surplus means the transfer (at a transfer value) of all transferable ballot documents from the candidate who has the surplus;

"stage of the count" means:

- (a) the determination of the first preference vote of each candidate;
- (b) the transfer of a surplus of a candidate deemed to be elected; or
- (c) the exclusion of one or more candidates at any given time;

"transferable vote" means a ballot document on which, following a first preference, a second or subsequent preference is recorded in consecutive numerical order for a continuing candidate;

"transferred vote" means a vote derived from a ballot document on which a second or subsequent preference is recorded for the candidate to whom that ballot document has been transferred; and

"transfer value" means the value of a transferred vote calculated in accordance with rules 47.4 or 47.7.

42. Arrangements for Counting of the Votes

42.1. The returning officer is to make arrangements for counting the votes as soon as is practicable after the close of the poll.

42.2. The returning officer may make arrangements for any votes to be counted using vote counting software where:

- (a) the board of directors and the council of governors of the corporation have approved:
 - (i) the use of such software for the purpose of counting votes in the relevant election; and
 - (ii) a policy governing the use of such software; and
- (b) the corporation and the returning officer are satisfied that the use of such software will produce an accurate result.

43. The Count

43.1. The returning officer is to:

- (a) count and record the number of:
 - (iii) ballot papers that have been returned; and
 - (iv) the number of internet voting records, telephone voting records and/or text voting records that have been created; and
- (b) count the votes according to the provisions in this Part of the rules and/or the provisions of any policy approved pursuant to rule 42.2(ii) where vote counting software is being used.

43.2. The returning officer, while counting and recording the number of ballot papers, internet voting records, telephone voting records and/or text voting records and counting the votes, must make arrangements to ensure that no person obtains or communicates information as to the unique identifier on a ballot paper or the voter ID number on an internet voting record, telephone voting record or text voting record.

43.3. The returning officer is to proceed continuously with counting the votes as far as is practicable.

44. Rejected Ballot Papers and Rejected Text Voting Records

44.1. Any ballot paper:

- (a) which does not bear the features that have been incorporated into the other ballot papers to prevent them from being reproduced;
- (b) on which the figure "1" standing alone is not placed so as to indicate a first preference for any candidate;
- (c) on which anything is written or marked by which the voter can be identified except the unique

identifier; or

(d) which is unmarked or rejected because of uncertainty;

shall be rejected and not counted, but the ballot paper shall not be rejected by reason only of carrying the words "one", "two", "three" and so on, or any other mark instead of a figure if, in the opinion of the returning officer, the word or mark clearly indicates a preference or preferences.

44.2. The returning officer is to endorse the word "rejected" on any ballot paper which under this rule is not to be counted.

44.3. Any text voting record:

(a) on which the figure "1" standing alone is not placed so as to indicate a first preference for any candidate;

(b) on which anything is written or marked by which the voter can be identified except the unique identifier; or

(c) which is unmarked or rejected because of uncertainty;

shall be rejected and not counted, but the text voting record shall not be rejected by reason only of carrying the words "one", "two", "three" and so on, or any other mark instead of a figure if, in the opinion of the returning officer, the word or mark clearly indicates a preference or preferences.

44.4. The returning officer is to endorse the word "rejected" on any text voting record which under this rule is not to be counted.

44.5. The returning officer is to draw up a statement showing the number of ballot papers rejected by him or her under each of the subparagraphs (a) to (d) of rule 44.1 and the number of text voting records rejected by him or her under each of the sub-paragraphs (a) to (c) of rule 44.3.

45. First Stage

45.1. The returning officer is to sort the ballot documents into parcels according to the candidates for whom the first preference votes are given.

45.2. The returning officer is to then count the number of first preference votes given on ballot documents for each candidate, and is to record those numbers.

45.3. The returning officer is to also ascertain and record the number of valid ballot documents.

46. The Quota

46.1. The returning officer is to divide the number of valid ballot documents by a number exceeding by one the number of members to be elected.

46.2. The result, increased by one, of the division under rule 46.1 (any fraction being disregarded) shall be the number of votes sufficient to secure the election of a candidate (in these rules referred to as "the quota").

46.3. At any stage of the count a candidate whose total votes equals or exceeds the quota shall be deemed to be elected, except that any election where there is only one vacancy a candidate shall not be deemed to be elected until the procedure set out in rules 47.1 to 47.3 has been complied with.

47. Transfer of Votes

- 47.1. Where the number of first preference votes for any candidate exceeds the quota, the returning officer is to sort all the ballot documents on which first preference votes are given for that candidate into sub-parcels so that they are grouped:
- (a) according to next available preference given on those ballot documents for any continuing candidate; or
 - (b) where no such preference is given, as the sub-parcel of non-transferable votes.
- 47.2. The returning officer is to count the number of ballot documents in each parcel referred to in rule 47.1.
- 47.3. The returning officer is, in accordance with this rule and rule 48, to transfer each sub-parcel of ballot documents referred to in rule 47.1 (a) to the candidate for whom the next available preference is given on those ballot documents.
- 47.4. The vote on each ballot document transferred under rule 47.3 shall be at a value ("the transfer value") which:
- (a) reduces the value of each vote transferred so that the total value of all such votes does not exceed the surplus; and
 - (b) is calculated by dividing the surplus of the candidate from whom the votes are being transferred by the total number of the ballot documents on which those votes are given, the calculation being made to two decimal places (ignoring the remainder if any).
- 47.5. Where at the end of any stage of the count involving the transfer of ballot documents, the number of votes for any candidate exceeds the quota, the returning officer is to sort the ballot documents in the sub-parcel of transferred votes which was last received by that candidate into separate sub-parcels so that they are grouped:
- (a) according to the next available preference given on those ballot documents for any continuing candidate; or
 - (b) where no such preference is given, as the sub-parcel of non-transferable votes.
- 47.6. The returning officer is, in accordance with this rule and rule 48, to transfer each sub-parcel of ballot documents referred to in rule 47.5(a) to the candidate for whom the next available preference is given on those ballot documents.
- 47.7. The vote on each ballot document transferred under rule 47.6 shall be at:
- (a) a transfer value calculated as set out in rule 47.4(b); or
 - (b) at the value at which that vote was received by the candidate from whom it is now being transferred;
- whichever is the less.
- 47.8. Each transfer of a surplus constitutes a stage in the count.
- 47.9. Subject to rule 47.10, the returning officer shall proceed to transfer transferable ballot documents until no candidate who is deemed to be elected has a surplus or all the vacancies have been filled.
- 47.10. Transferable ballot documents shall not be liable to be transferred where any surplus or surpluses

which, at a particular stage of the count, have not already been transferred, are:

- (a) less than the difference between the total vote then credited to the continuing candidate with the lowest recorded vote and the vote of the candidate with the next lowest recorded vote; or
- (b) less than the difference between the total votes of the two or more continuing candidates, credited at that stage of the count with the lowest recorded total numbers of votes and the candidate next above such candidates.

47.11. This rule does not apply at an election where there is only one vacancy.

48. Supplementary Provisions on Transfer

48.1. If, at any stage of the count, two or more candidates have surpluses, the transferable ballot documents of the candidate with the highest surplus shall be transferred first, and if:

- (a) the surpluses determined in respect of two or more candidates are equal, the transferable ballot documents of the candidate who had the highest recorded vote at the earliest preceding stage at which they had unequal votes shall be transferred first; and
- (b) the votes credited to two or more candidates were equal at all stages of the count, the returning officer shall decide between those candidates by lot, and the transferable ballot documents of the candidate on whom the lot falls shall be transferred first.

48.2. The returning officer shall, on each transfer of transferable ballot documents under rule 47:

- (a) record the total value of the votes transferred to each candidate;
- (b) add that value to the previous total of votes recorded for each candidate and record the new total;
- (c) record as non-transferable votes the difference between the surplus and the total transfer value of the transferred votes and add that difference to the previously recorded total of non-transferable votes; and
- (d) compare:
 - (i) the total number of votes then recorded for all of the candidates, together with the total number of non-transferable votes; with
 - (ii) the recorded total of valid first preference votes.

48.3. All ballot documents transferred under rule 47 or 49 shall be clearly marked, either individually or as a sub-parcel, so as to indicate the transfer value recorded at that time to each vote on that ballot document or, as the case may be, all the ballot documents in that sub-parcel.

48.4. Where a ballot document is so marked that it is unclear to the returning officer at any stage of the count under rule 47 or 49 for which candidate the next preference is recorded, the returning officer shall treat any vote on that ballot document as a non-transferable vote; and votes on a ballot document shall be so treated where, for example, the names of two or more candidates (whether continuing candidates or not) are so marked that, in the opinion of the returning officer, the same order of preference is indicated or the numerical sequence is broken.

49. Exclusion of Candidates

49.1. If:

- (a) all transferable ballot documents which under the provisions of rule 47 (including that rule as applied by rule 49.11) and this rule are required to be transferred, have been transferred; and

- (b) subject to rule 50, one or more vacancies remain to be filled,
the returning officer shall exclude from the election at that stage the candidate with the then lowest vote (or, where rule 49.12 applies, the candidates with the then lowest votes).
- 49.2. The returning officer shall sort all the ballot documents on which first preference votes are given for the candidate or candidates excluded under rule 49.1 into two sub-parcels so that they are grouped as:
- (a) ballot documents on which a next available preference is given; and
 - (b) ballot documents on which no such preference is given (thereby including ballot documents on which preferences are given only for candidates who are deemed to be elected or are excluded).
- 49.3. The returning officer shall, in accordance with this rule and rule 48, transfer each sub-parcel of ballot documents referred to in rule 49.2 to the candidate for whom the next available preference is given on those ballot documents.
- 49.4. The exclusion of a candidate, or of two or more candidates together, constitutes a further stage of the count.
- 49.5. If, subject to rule 50, one or more vacancies still remain to be filled, the returning officer shall then sort the transferable ballot documents, if any, which had been transferred to any candidate excluded under rule 49.1 into sub- parcels according to their transfer value.
- 49.6. The returning officer shall transfer those ballot documents in the sub-parcel of transferable ballot documents with the highest transfer value to the continuing candidates in accordance with the next available preferences given on those ballot documents (thereby passing over candidates who are deemed to be elected or are excluded).
- 49.7. The vote on each transferable ballot document transferred under rule 49.6 shall be at the value at which that vote was received by the candidate excluded under rule 49.1.
- 49.8. Any ballot documents on which no next available preferences have been expressed shall be set aside as non-transferable votes.
- 49.9. After the returning officer has completed the transfer of the ballot documents in the sub-parcel of ballot documents with the highest transfer value he or she shall proceed to transfer in the same way the sub-parcel of ballot documents with the next highest value and so on until he has dealt with each sub-parcel of a candidate excluded under rule 49.1.
- 49.10. The returning officer shall after each stage of the count completed under this rule:
- (a) record:
 - (i) the total value of votes; or
 - (ii) the total transfer value of votes transferred to each candidate;
 - (b) add that total to the previous total of votes recorded for each candidate and record the new total;
 - (c) record the value of non-transferable votes and add that value to the previous non-transferable votes total; and
 - (d) compare:

- (i) the total number of votes then recorded for each candidate together with the total number of non-transferable votes, with
- (ii) the recorded total of valid first preference votes.

49.11. If after a transfer of votes under any provision of this rule, a candidate has a surplus, that surplus shall be dealt with in accordance with rules 47.5 to 47.10 and rule 48.

49.12. Where the total of the votes of the two or more lowest candidates, together with any surpluses not transferred, is less than the number of votes credited to the next lowest candidate, the returning officer shall in one operation exclude such two or more candidates.

49.13. If when a candidate has to be excluded under this rule, two or more candidates each have the same number of votes and are lowest:

- (a) regard shall be had to the total number of votes credited to those candidates at the earliest stage of the count at which they had an unequal number of votes and the candidate with the lowest number of votes at that stage shall be excluded; and
- (b) where the number of votes credited to those candidates was equal at all stages, the returning officer shall decide between the candidates by lot and the candidate on whom the lot falls shall be excluded.

50. Filling of Last Vacancies

50.1. Where the number of continuing candidates is equal to the number of vacancies remaining unfilled the continuing candidates shall thereupon be deemed to be elected.

50.2. Where only one vacancy remains unfilled and the votes of any one continuing candidate are equal to or greater than the total of votes credited to other continuing candidates together with any surplus not transferred, the candidate shall thereupon be deemed to be elected.

50.3. Where the last vacancies can be filled under this rule, no further transfer of votes shall be made.

51. Order of Election of Candidates

51.1. The order in which candidates whose votes equal or exceed the quota are deemed to be elected shall be the order in which their respective surpluses were transferred, or would have been transferred but for rule 47.10.

51.2. A candidate credited with a number of votes equal to, and not greater than, the quota shall, for the purposes of this rule, be regarded as having had the smallest surplus at the stage of the count at which he or she obtained the quota.

51.3. Where the surpluses of two or more candidates are equal and are not required to be transferred, regard shall be had to the total number of votes credited to such candidates at the earliest stage of the count at which they had an unequal number of votes and the surplus of the candidate who had the greatest number of votes at that stage shall be deemed to be the largest.

51.4. Where the number of votes credited to two or more candidates were equal at all stages of the count, the returning officer shall decide between them by lot and the candidate on whom the lot falls shall be deemed to have been elected first.

PART 7 FINAL PROCEEDINGS IN CONTESTED AND UNCONTESTED ELECTIONS

52. Declaration of Result for Contested Elections

52.1. In a contested election, when the result of the poll has been ascertained, the returning officer is to:

1. INTRODUCTION

Regulatory Framework

- 1.1. Frimley Health NHS Foundation Trust (the "**Trust**") is a public benefit trust, which was established on 1 April 2005 under the Health and Social Care (Community Health and Standards) Act 2003 which has now been replaced by the 2006 Act (as amended by the 2012 Act).
- 1.2. The principal places of business of the Trust are Frimley Park Hospital, Frimley, Camberley, Surrey, Heatherwood Hospital, Ascot, Berkshire, and Wexham Park Hospital, Slough, Buckinghamshire.
- 1.3. The Trust is governed by the 2006 Act, by its Constitution and by its terms of Authorisation granted by Monitor.

2. THE COUNCIL OF GOVERNORS

- 2.1. **Composition of the Council** – in accordance with the Constitution, the composition of the Council of Governors of the Trust shall be:
 - 2.1.1. 15 public Governors;
 - 2.1.2. three staff Governors; and
 - 2.1.3. four stakeholder Governors including:
 - a) three local authority Governors; and
 - b) one partnership (ministry of defence) Governor.

as appointed by the relevant stakeholder body or its successor organisation.

- 2.2. The Chief Executive or any other Director or a representative of the Trust's Auditors or other advisors can attend a meeting of the Council of Governors unless the Council of Governors agrees otherwise.
- 2.3. **Role of the Public Governors** - One of the duties of the public Governors is to facilitate communication between the Board of Directors and the Members of the Trust.
- 2.4. **Role of the Chairman** - The Chairman is not a member of the Council of Governors. However, he presides at meetings of the Council of Governors and has a casting vote.
- 2.5. **Role and appointment of the Lead Governor** - For the purpose of facilitating liaison between the Board of Directors and the Council of Governors, the Council of Governors shall appoint one of the public Governors of the Trust to be the Lead Governor for a term of three years, not exceeding the remainder of his term as Governor of the Trust. If a Governor was appointed as Lead Governor with less than three years of their term of office remaining, and they did not get re-elected, a new Lead Governor appointment process would be undertaken. As such, Governors would be able to put themselves forward at any stage of their term of office. A Lead Governor can hold a maximum of two terms of office, equating to six years. In terms of voting methodology for the appointment, 'first past the post' will be used with the Governor receiving the most votes appointed to the role, unless in the event of more than two candidates standing for this election a preferential vote will be employed.
- 2.6. A Governor seeking election as Lead Governor will be required to submit a written statement to the Company Secretary in support of their candidature by a specific deadline. The statement must not be in excess of 300 words. Statements will be circulated to all Governors by the Company Secretary by email following the expiry of the deadline for submission. Governors shall be provided with a deadline to register an electronic vote by email. The Company Secretary shall act as the Returning Officer in respect of the election.

3. MEETINGS OF THE COUNCIL OF GOVERNORS

- 3.1. **Admission to the public** - the meetings of the Council of Governors shall be open to members of the public except when the Council of Governors resolves:
- 3.1.1. that members of the public be excluded from the remainder of the meeting having regard to the confidential nature of the business to be transacted, publicity on which would be prejudicial to the public; and/or
 - 3.1.2. that in the interests of public order, the meeting adjourns for a period to be specified in such resolution to enable the Council of Governors to complete business without the presence of the public.
- 3.2. Nothing in these SOs shall require the Council of Governors to allow members of the public or representatives of the press to record proceedings in any manner whatsoever, other than in writing, or to make any oral report of proceedings as they take place without the prior agreement of the Council of Governors.
- 3.3. **Calling meetings** - ordinary meetings of the Council of Governors shall be held at such times and places as the Council of Governors may determine and there will be no fewer than two meetings per year. The Company Secretary will publish times and locations of the meetings for the year two months in advance.
- 3.4. Meetings of the Council of Governors may be called by the Company Secretary, or by the Chairman, or by six Governors who give written notice to the Company Secretary specifying the business to be carried out. The Company Secretary will send (by appropriate means including, without limitation, by email or post, or via the Trust's website) the dates, times and locations of meetings of the Council of Governor meetings to all Governors as soon as possible after receipt of such a request. Other, or emergency, meetings of the Council of Governors may be called (by appropriate means including, without limitation, by email or post, or via the Trust's website) in accordance with the Constitution. The Company Secretary shall call a meeting on at least 14 but not more than 28 days' notice to discuss the specified business. If the Company Secretary fails to call such a meeting then the Chairman or six Governors, whichever is the case, shall call such a meeting. Notice will also be published on the Trust's website and at the main entrances to Frimley Park Hospital, Heatherwood Hospital and Wexham Park Hospital.
- 3.5. Subject to SO 3.6 below, lack of service of the notice of the business of the meeting on any Governor shall not affect the validity of a meeting.
- 3.6. Failure to serve such a notice specifying the business on more than one-third of publicly elected Governors will invalidate the meeting. A notice will be presumed to have been served at the time at which the notice would be delivered in the ordinary course of the post or, where the notice is sent by email, at the time at which the email is sent.
- 3.7. In the case of a meeting being called by six Governors in default of the Chairman, the notice shall be signed by those members of the Council of Governors and no business shall be transacted at the meeting other than that specified in the notice.
- 3.8. **Agenda of meetings** - Before each meeting of the Council of Governors, an agenda of the meeting specifying the business proposed to be transacted at it and any supporting papers shall be delivered to each Governor, or sent by post to the usual place of residence of the Governor, so as to be available to him at least three clear days before the meeting.
- 3.9. **Setting the agenda** - The Council of Governors may determine that certain matters shall appear on every agenda for a meeting of the Council of Governors and shall be addressed prior to any other business being conducted.

Chairman at least 15 clear days before the meeting. The request should state whether the item of business is proposed to be transacted in the presence of the public and should include appropriate supporting information. Requests made less than 15 days before a meeting may be included on the agenda at the discretion of the Chairman.

- 3.11. There will not be an agenda item entitled 'Any Other Business'. See SO 3.10 for inclusion of agenda items.
- 3.12. **Chairman of the meeting** - At any meeting of the Council of Governors, the Chairman, if present, shall preside. If the Chairman considers it appropriate (taking into account the matters to be discussed at a meeting of the Council of Governors), the Lead Governor shall preside at such meeting. If the Chairman is absent from the meeting, the Deputy Chairman or another Non-Executive Director, if there is one and he is present, shall preside. If the Chairman, the Deputy Chairman and all Non-Executive Directors are absent, the Lead Governor, if he is present, shall preside. If the Lead Governor is not present, such Governor as the Council of Governors present shall choose shall preside.
- 3.13. **Emergency powers** - The Council of Governors' powers may in emergency be exercised by the Chairman (or in his absence the Deputy Chairman and if the Deputy Chairman is absent, any other Non-Executive Director) together with at least one-third of the publicly elected Governors. The exercise of such powers shall be reported to the next formal meeting of the Council of Governors for ratification.
- 3.14. **Notices of Motion** - A Governor desiring to move or amend a Motion shall send a written notice thereof at least 15 clear days before the meeting to the Chairman, who shall insert in the agenda for the meeting all notices so received subject to the notice being permissible under the appropriate regulations. This SO shall not prevent any Motion being moved during the meeting without notice on any business mentioned on the agenda, except that the acceptance of such a Motion for inclusion on the agenda will be at the discretion of the Chairman.
- 3.15. **Withdrawal of Motion or amendments** - A Motion or amendment once moved and seconded may be withdrawn by the proposer with the concurrence of the seconder and the consent of the Chairman.

- 3.17. **Motions** - The mover of a Motion shall have a right of reply at the close of any discussion on the Motion or any amendment thereto.
- 3.18. When a Motion is under discussion or immediately prior to discussion it shall be open to a Governor to move:

The document should not require extensive discussion, although Council members may choose to ask specific questions to the document author. The document will require a cover sheet, clearly specifying the approval that is sought.
 - (c) A document will be considered approved when a majority of the Council of Governors or Committee members have approved the document. As in a Board meeting, the Chairman shall have the casting vote in the event of an evenly split vote. Notice of all decisions taken by E-Governance will be reported to the following formal Council or Committee meeting at which point they are confirmed.
- 3.22. If at least one-third of the Governors present so request, the voting (other than by paper ballot) on any question may be recorded to show how each Governor present voted or abstained.

- 3.29. **Suspension of SOs** - Except where this would contravene any statutory provision or any direction made by Monitor, any one or more of these SOs may be suspended at any meeting, provided that the majority of the Council of Governors are present and that a majority of those present vote in favour of suspension.
- 3.30. A decision to suspend these SOs shall be recorded in the minutes of the meeting.

- 3.37. If the Chairman or any Governor has been disqualified from participating in the discussion on any matter and/or from voting on any resolution by reason of the declaration of a conflict of interest (see SO 6 or 7) he shall no longer count towards the quorum. If a quorum is then not available for the discussion and/or the passing of a resolution on any matter, that matter may not be discussed further or voted upon at that meeting. Such a position shall be recorded in the minutes of the meeting. The meeting must then proceed to the next business.

4. ARRANGEMENTS FOR THE EXERCISE OF FUNCTIONS BY DELEGATION

- 4.1. Subject to such directions, if any, as may be given by Monitor, the Council of Governors may make arrangements for the exercise, on behalf of the Council of Governors, of any of its functions by a Committee or sub-Committee, appointed by virtue of SOs 5.1 or 5.2 below, subject to such restrictions and conditions as the Council of Governors thinks fit.

- 5.4. Members of Committees and sub-Committees of the Council of Governors may participate in meetings of such Committees and sub-Committees by telephone, teleconference, video or computer link and SO 3.24 shall be amended accordingly so that participation in a meeting in this manner shall be deemed to constitute a presence in person at the meeting. In such cases, if any person attends the meeting by telephone, teleconference, video or computer link, then SO3.21 shall be amended so as to allow such person shall cast their vote verbally (such verbal vote to be recorded in the minutes).
- 5.5. - 5.10. A Governor or a member of a Committee shall not disclose any matter reported to the Council of Governors or otherwise dealt with by the Committee, notwithstanding that the matter has been reported or action has been concluded, if the Council of Governors or Committee shall resolve that it is confidential.
- 5.11. **Review of membership** - On an annual basis, each sub-committee of the Council of Governors should look to review its membership. This will be achieved through a 'call for members', which should take place after the Annual Members Meeting.
- 5.12. The Council will approve the final composition of each sub-Committee after the review exercise has

been completed.

5.13. **Procedure for electing Committee Chair** – Committee members will elect a Chairman from amongst the Committee membership to serve for a period of three years.

5.14. Committee Chairs may seek re-election after they have served their term of office on three occasions. Therefore, the maximum amount of time a Governor can chair a sub-Committee is nine consecutive years.

6.1. **Declaration of interests** - Each Governor shall upon being elected or appointed declare to the Council of Governors via the Company Secretary any pecuniary (which includes monetary), personal or family interests that he has which are relevant to the Trust.

6.2. Interests which should be declared pursuant to SO 6.1 above include:

6.2.5. any connection with an organisation, entity or company considering entering into or having entered into a financial arrangement with the Trust including but not limited to lenders or banks.

6.3. No Governor shall be treated as having an interest in any contract, proposed contract or other matter by reason only:

6.3.1. of his membership of a company or other body if he has no beneficial interest in any securities of that company or other body; or

6.3.2. of an interest in any company, body or person with which he is connected which is so remote or insignificant that it cannot reasonably be regarded as likely to influence him in the consideration or discussion of, or in voting on, any question with respect to that contract, proposed contract or other matter.

6.4. If Governors have any doubt about the relevance of an interest, this should be discussed with the Chairman or the Company Secretary.

6.5. At the time Governors' interests are declared, they should be recorded in the Council of Governor minutes. Any changes in interests should be declared at the next Council of Governors meeting following the change occurring. It is the obligation of the Governor to inform the Company Secretary in writing within seven days of becoming aware of the existence of an interest. The Company Secretary shall amend the Register upon receipt within three working days.

7. CONFLICT OF INTEREST AND PECUNIARY INTEREST

- 7.1. **Disclosure of interest** - If a Governor has a pecuniary, personal or family interest, whether that interest is actual or potential and whether that interest is direct or indirect, in any contract, proposed contract or other matter which is under consideration by the Council of Governors, he shall disclose that interest to the Council of Governors as soon as he becomes aware of it.
- 7.2. **Conflict of interest** - During the course of a Council of Governors meeting, if a conflict of interest is disclosed, the Governor concerned shall withdraw from the meeting and take no further part in the matter under discussion.
- 7.3. For the purpose of this SO, the Chairman or Governor shall be treated, subject to SO7.4 below, as having indirectly a pecuniary interest in a contract, proposed contract or other matter, if he, or a nominee of his, is a governor of a company or other body, not being a public body, with which the contract was made or is proposed to be made or which has a direct pecuniary interest in the other matter under consideration.
- 7.4. The Chairman or a Governor shall not be treated as having a pecuniary interest in any contract, proposed contract or other matter by reason only:
 - 7.4.1. of his membership of a company or other body, if he has no beneficial interest in any securities of that company or other body; or
 - 7.4.2. of an interest in any company, body or person with which he is connected as mentioned in SO7.3 above which is so remote or insignificant that it cannot reasonably be regarded as likely to influence the Governor in the consideration or discussion of, or in voting on, any question with respect to that contract or matter.
- 7.5. Where the Chairman or Governor:
 - 7.5.1. has an indirect pecuniary interest in a contract, proposed contract, or any other matter by reason only of a beneficial interest in securities of a company or other body; and the total nominal value of those securities does not exceed £5,000 or one-hundredth of the total nominal value of the issued share capital of the company or body, whichever is the fewer; and
 - 7.5.2. if the share capital is of more than one class, the total nominal value of shares of any one class in which he has a beneficial interest does not exceed one-hundredth of the total issued share capital of that class;

this SO shall not prohibit him from taking part in the consideration or discussion of the contract or other matter, or from voting on any question with respect to it without prejudice however to his duty to disclose his interest.
- 7.6. This SO applies to a Committee or sub-Committee of the Council of Governors as it applies to the

- 8.2. **Canvassing of, and recommendations by, Governors in relation to appointments** - Canvassing of Directors or Governors or of any members of any Committee of the Trust directly or indirectly for any appointment under the Trust shall disqualify the candidate for such appointment. The contents of this SO shall be included in application forms or otherwise brought to the attention of candidates.
- 8.3. A Governor shall not solicit for any person any appointment under the Trust or recommend any person for such appointment but this SO shall not preclude a Governor from giving written testimonial of a candidate's ability, experience or character for submission to the Trust.
- 8.4. Informal discussions outside appointments panels or Committees, whether solicited or unsolicited, should be declared to the panel or Committee.
- 8.5. **Relatives of Governors** - Candidates for any staff appointment under the Trust shall when making application disclose in writing whether they are related to any Governor. Failure to disclose such a relationship shall disqualify a candidate and, if appointed, render them liable to instant dismissal.
- 8.6. Every Governor of the Trust shall disclose to the Chief Executive any relationship with a candidate of whose candidature that Governor is aware. It shall be the duty of the Chief Executive to report to the Trust any such disclosure made.
- 8.7. On election or appointment, Governors should disclose to the Trust whether they are related to any other Governor or Officer. This disclosure will be asked for when Governors sign their declaration of eligibility to vote prior to their first Council of Governors meeting.
- 8.8. Where the relationship to a Governor is disclosed, the SO headed 'Conflict of interest and pecuniary interest' (SO 7) shall apply.

9. MISCELLANEOUS

- 2.10. Paragraph 17.1 of the Constitution shall apply where the Chairman is unable to perform his duties at a meeting of the Council of Governors.

3. MEETINGS OF THE BOARD OF DIRECTORS

- 3.1. Nothing in these SOs shall require the Board of Directors to allow members of the public or representatives of the press to record proceedings in any manner whatsoever, other than in writing, or to make any oral report of proceedings as they take place without the prior agreement of the Board of Directors.

- 3.3. Meetings of the Board of Directors may be called by the Company Secretary, or by the Chairman, or by four Directors who give written notice to the Company Secretary specifying the business to be carried out. The Company Secretary shall send (by appropriate means including, without limitation, by email or post, or via the Trust's website) a written notice of the dates, times and locations of meetings of the Board of Directors meetings to all Directors as soon as possible after receipt of such a request. Other, or emergency, meetings of the Board of Directors may be called (by appropriate means including, without limitation, by email or post, or via the Trust's website) in accordance with the Constitution. Subject to SO 3.5 below, the Company Secretary shall call a meeting on at least 14 but not more than 28 days' notice to discuss the specified business. If the Company Secretary fails to call such a meeting then the Chairman or four Directors, whichever is the case, shall call such a meeting.

- 3.5. Subject to SO 3.7 below, lack of service of the notice on any Director shall not affect the validity of a meeting.
- 3.6. Failure to serve such a notice specifying the business on more than two Directors will invalidate the meeting. A notice will be presumed to have been served at the time at which the notice would be delivered in the ordinary course of the post or, where the notice is sent by email, at the time at which the email is sent.
- 3.7. **Agenda of meetings** - Before each meeting of the Board of Directors, an agenda of the meeting specifying the business proposed to be transacted at it and any supporting papers available at that time shall be delivered to each Director, or sent by post to the usual place of residence of each Director, so as to be available to him at least three clear days before the meeting. - 3.10. **Participation in meetings** – Directors may participate in meetings by telephone, teleconference, video or computer link and participation in a meeting in this manner shall be deemed to constitute a presence in person at the meeting.
- 3.11. In determining whether Directors are participating in a meeting, it is irrelevant where any Director is

or how they communicate with each other. If all the Directors are not in the same place, they may decide that the meeting is to be treated as taking place wherever any of them is.

- 3.12. **Chairman of meeting** - At any meeting of the Board of Directors, the Chairman, if present, shall preside. If the Chairman is absent from the meeting, the Deputy Chairman, if there is one and he is present, shall preside. - 3.23. If at least one-third of the Directors present so request, the voting (other than by paper ballot) on any question may be recorded to show how each Director present voted or abstained.
- 3.24. If a Director so requests, his vote shall be recorded by name upon any vote (other than by paper ballot).
- 3.25. The Board of Directors may agree that its members can participate in its meetings by telephone, teleconference, video or computer link. Participation in a meeting in this manner shall be deemed to constitute a presence in person at the meeting.

- 3.29. Minutes shall be circulated in accordance with Directors' wishes.
- 3.30. **Use of Mechanical or Electrical Equipment for Recording or Transmission of Meetings** – Nothing in these Standing Orders shall be construed as permitting the introduction by the public, or press representatives, of recording, transmitting, video or similar apparatus into the meetings of the Board or Committee thereof. - 3.31. **Written resolutions** - Where the Chairman or a Director desires that a resolution is passed by the Board of Directors, the Chairman or the Director (with the consent of the Chairman) may circulate the resolution amongst the Board of Directors proposing that it is passed as a written resolution. Any written resolution that is so passed shall be noted at the next meeting of the Board of Directors.
- 3.32. **Suspension of SOs** - Except where this would contravene any statutory provision or any direction made by Monitor, any one or more of these SOs may be suspended at any meeting, provided that at least five Directors are present agree to such suspension, including (i) not less than three Executive Directors (one of whom must be either the Chief Executive or the Finance Director) and (ii) two Non-Executive Directors, and that a majority of those present vote in favour of suspension.

- 3.33. A decision to suspend these SOs shall be recorded in the minutes of the meeting.

If a quorum is then not available for the discussion and/or the passing of a resolution on any matter, that matter may not be discussed further or voted upon at that meeting. Such a position shall be recorded in the minutes of the meeting. The meeting must then proceed to the next business. The above requirement for at least one Executive Director to form part of the quorum shall not apply where the Executive Directors are excluded from a meeting (for example when the Board of Directors considers the recommendations of the performance and remuneration Committee). In such circumstances, the quorum shall be three Non-Executive Directors (including the Chairman).
- 3.42. **Overriding SOs** - If for any reason these SOs are not complied with, full details of the non-compliance and any justification for non-compliance and the circumstances around the non-compliance, shall be reported to the next formal meeting of the Board of Directors for action or ratification. The document should not require extensive discussion, although the Board of Directors may choose to ask specific questions to the document author. The email will need to clearly specify the approval that is sought.

(c) A document or issue will be considered approved when the majority of the Board of Directors has approved it. As in a Board meeting, the Chairman shall have the casting vote in the event of an evenly split vote. Notice of all decisions taken by e-governance will be reported to the following formal Board or Committee meeting.

- 4.3. **Delegation to Committees** - The Board of Directors shall agree from time to time to the delegation of executive powers to be exercised by Committees or sub-Committees which it has formally constituted.

The Chief Executive may periodically propose amendment to the scheme of delegation which shall be considered and approved by the Board of Directors as indicated above.
- 4.6. Nothing in the scheme of delegation shall impair the discharge of the direct accountability to the Board of Directors of the Finance Director to provide information and advise the Board of Directors in accordance with statute or Monitor's requirements. Outside these regulatory requirements the Finance Director shall be accountable to the Chief Executive for operational matters.
- 4.7. The arrangements made by the Board of Directors as set out in the "reservation of powers to the board and delegation of powers" shall have effect as if incorporated in these SOs.

 - 5.8.1. Audit;
 - 5.8.2. Performance and remuneration;
