I understand that Frimley Health NHS Foundation Trust & QuEST Simulation may make, store and use still or motion pictures & soundtrack recordings of myself, my voice and my image whilst I am involved in simulation training, either in the suite or within departments. I understand that these videos and/or photos may be used for Trust internal purposes – Debriefing staff, faculty review, education and reflection.

The Trust may also wish to use images for external purposes e.g. **marketing & publicity in print or digital format or via social media**, if you are happy for your images to be used in this way, please sign the **'external media consent,'** box.
