

Introducing the

NHS Knowledge and Library Hub

Search journal articles, e-books, guidelines and clinical decision tools, **all in one place**.

Go directly to full text, as an immediate download or on request from an NHS library.

Avoid the less-reliable sources you might find in a general web search.

Go to the **library website** to start searching: <https://www.fhft.nhs.uk/careers/library-services/>

Type your search words in the box and click Search. You can search for a topic, a journal article or a book or journal title.

Your results will open up in a new window. You will have **Guest** access to view the results; **for full access**, click on the yellow banner at the top of the screen and sign in with your **NHS OpenAthens** account.

If you haven't got an account, **register** at: <https://openathens.nice.org.uk/>

NHS Knowledge and Library Hub
Searching: Health and Care Evidence, from Health Education England

Enter any words **Search**

Find a book
Search for print and online books via the library catalogue.
READ MORE

Find a journal
Search for online journals across all Frimley Health sites. NHS OpenAthens required.
READ MORE

Change your search

- 1 Add or remove search words in the **search box**.
- 2 See your **Search History** to combine results of different searches.
- 3 Alter the search options under **Current Search**.
- 4 Add **limits** to narrow your results by date, type or other options.

View your results

- 5 Click **Relevance** to sort your results by date.
- 6 **Page Options** lets you change the layout and increase the number of results displayed.
- 7 The **detail** icon  on each result shows you more information.

The screenshot shows the NHS Knowledge and Library Hub search interface. At the top, there is a navigation bar with links for 'New Search', 'Journals A-Z', 'Register for NHS OpenAthens', 'library.nhs.uk', 'Sign In', 'Folder', 'Preferences', 'Language', 'Help', and 'Logout'. The search bar contains the text 'Health and care evidence, from Health Education England' and a search box with the keyword 'covid social media misinform'. A 'Search' button and a 'Create Alert' link are also visible. Below the search bar, there are links for 'Basic Search', 'Advanced Search', 'PICO Search', and 'Search History'. The main search results area shows 'Search Results: 1 - 20 of 11,722' and a 'Relevance' dropdown menu. The first result is 'Crowdfunding Campaigns and COVID-19 Misinformation' by Snyder, Jeremy, Zenone, Marco, Caulfield, Timothy, from the American Journal of Public Health. The second result is 'The presumed influence of digital misinformation: examining US public's support for governmental restrictions versus corrective action in the COVID-19 pandemic' by Yang Cheng; Yunjuan Luo, from the Emerald Publishing Limited. On the right side, there are 'Further Resources' and 'In-Depth Searching' sections with various database links like BMJ, BNF, Google Scholar, etc. Numbered callouts (1-15) point to specific features: 1 (search box), 2 (Search History), 3 (Current Search), 4 (Limit To), 5 (Relevance), 6 (Page Options), 7 (detail icon), 8 (PDF Full Text), 9 (Request this item), 10 (Sign In), 11 (Folder icon), 12 (Folder), 13 (Create Alert), 14 (Share), and 15 (In-Depth Searching).

Get the full text

- 8 Clicking **Get PDF**, **PDF Full Text** or **Access Online** will take you to an online copy you can download.
- 9 Clicking **Request this item** will open a request form to send to your library.

Manage your results

- 10 **Sign In** to save your results and searches.
- 11 **Add a result** to the **Folder** by clicking the folder icon .
- 12 Open the **Folder** to see saved items, print or export results, and share folders with other searchers.
- 13 **Create Alert** will let you know when new articles match your search.
- 14 **Share** lets you quickly add results to the folder or create alerts.

Continue your search

- 15 Choose any of the buttons in the righthand column to open a new search in another database or search tool.
