

WPH Library Update May 2023 – new location and 24/7 access

We are pleased to announce that the library has now moved to its new permanent location in the Postgraduate Education Centre at Wexham Park and is accessible 24/7. Based in the old dining room, the new **Learning Resource Centre** offers IT and printing facilities, as well as our core services such as book loans, article requests, training and evidence searches. With a patio area and views of the lake and garden, we hope this will be a quiet and relaxing place to study, work and rest. We also have some fantastic photos on display courtesy of the **Trust's art club**.

24/7 Access

The Centre is now accessible out-of-hours with a Trust ID badge. The main Postgraduate Centre Doors will automatically open between the hours of 06:30 and 17:30, Monday to Friday. Outside of these hours, Trust staff must use their ID badge to **enter and leave** the building.

The Learning Resource Centre door can also be accessed 24/7 with an ID badge.

When using the Centre out-of-hours, please make sure you are familiar with the [Lone Working policy](#) and [Fire Evacuation procedure](#).

If you are employed by another Trust and would like out-of-hours access to the Centre, please contact andrew.brown22@nhs.net.

Coming Soon

We are hoping to introduce some study pods to the new space, as well as some comfortable furniture for our wellbeing corner. Also, look out for news of a massive book sale soon.

Many thanks to everyone for your patience over the past year when library access and facilities were limited due to refurbishment work. We hope you will enjoy the new Centre. If you have any questions or comments, please feel free to contact us!
